Call for Papers:

By submitting the papers to the Conference, the authors confirm that the paper is an original work of the authors and neither has been published previously nor is under consideration for publication elsewhere, and the **paper's title and content are consistent with the theme of the Conference**.

Papers have to be written in English. Prior to submission to the Conference Scientific Committee, papers have to be proofread for errors. Manuscripts showing serious shortcomings in layout/formatting or language use will not be accepted for publication.

The submitted papers will be reviewed by two reviewers. All the submitters have to provide one review from their own country (preferably the reviewer has to represent a different institution as the authors) along with the paper. The other reviewer will be provided by the Conference Editorial Board (blind review).

After the plagiarism review, reviewing procedure and consideration of remarks, the paper may be returned to the author for revision. Accepted papers will be published in the proceedings of the conference (ISSN 1691-30XX) until 1st July and indexed in the Web of Science™, Clarivate Analytics (former Thomson Reuters), CCPCI, AGRIS, CAB Abstracts and EBSCOhost Academic Search Complete databases. In case the paper has been rejected by the reviewer of the Conference, the abstract of the paper could be published in the Conference's Book of Abstracts.

The authors shall UPLOAD the **complete paper (up to 8 pages)**, the signed and scanned **review** and the **guarantee form** to the **LLU Conferences System** (<https://conferences.llu.lv/>)
